

ARE YOU AWARE?

-  *Autism, or ASD, affects one in every 150 children born.*
-  *Autism is a neurological disorder for which there is no known cause or cure.*
-  *Autism affects language and social skills causing resistance to change, problems with transitions and ranges from mild to severe on a "spectrum."*
-  *Someone you know is probably affected.*
-  *You can help.*

Dine in or order "to go" at any of these participating restaurants on **April 21st** and a percentage of the total sales will be donated to the Autism Society of North Carolina's Mecklenburg County Chapter. All funds raised benefit the autism community in Mecklenburg County.
